

Medical Termination Follow Up Procedure

It is our duty of care to ensure that we follow up with you to see how you are going post termination. We ask that you assist us with follow up by answering our telephone calls or returning our messages. If you are unable to phone us; please send an email to reception@pivotalhealth.com.au or nurse@pivotalhealth.com.au. If we are unable to contact you after multiple attempts; Pivotal Health Family Planning is unable to take responsibility for any adverse outcomes.

<p style="text-align: center;">Day 2-3 (After appointment)</p>	<p>You will receive a phone call from the doctor to touch base and see how you are post termination. The doctor will discuss whether you require any further medication to assist with the termination.</p>
<p style="text-align: center;">Approx 10days (after appointment)</p>	<p>You will receive a phone call from one of our practice nurses (Maria or Sue). This is to ensure you are well post termination and to confirm your follow up appointment.</p> <p>If you think it will be difficult to attend your follow-up appointment, please discuss this with our nurse, as we may be able to arrange a phone consultation.</p>
<p style="text-align: center;">2-3 weeks (after appointment)</p>	<p>We do expect that you attend your follow up appointment 2-3 weeks after you first appointment. It is important to ensure that the termination has been successful and that there is no continuing pregnancy.</p> <p>We understand that this appointment may be difficult to attend especially if you do not live locally and are happy to discuss this appointment being completed over the telephone.</p>
