

Surgical Terminations of Pregnancy

Medical Terminations/abortions of pregnancy can only be performed at this practice up to and including 8 weeks and 6 days gestation (confirmed by ultrasound).

Surgical terminations/abortions (greater than 9 weeks) are unfortunately not able to be performed at Pivotal Health. There are a number of practices in Brisbane that can assist with this. For your convenience, please find their details below.

Salisbury Day Surgery 3373 8008
www.salisburysurgery.com.au

Greenslopes Day Surgery 1800 802 562
<http://www.gsds.com.au>

Dr Marie Phone 1300 003 707
www.drmarie.org.au

Options Clinic Phone 3831 8300
www.optionsclinic.com.au

Should you require a surgical termination provider outside Brisbane, please refer to the Children By Choice website <https://www.childrenbychoice.org.au>
